LEGAL DISCLAIMER:

Compliance with Tax Obligations:

Users of the Website shall be entirely responsible for determining if any taxes apply to their transactions. The owners or writers of the website are not responsible for determining who pays what taxes.

Limitation of liability:

for any loss or resulting from the use of the information on this website, including any written content, external links, statistics (such as quotations and charts), or buy/ sell recommendations. FUCK YOU COIN is not going to be held accountable for any harm. Recognize the expenses and hazards of trading assets on the stock market (digital or otherwise). One of the riskiest investment options available to investors, in particular, is trading

Investment risks:

Trading cryptocurrencies have a high-risk level, making it unsuitable for all investors. Examine your investment objectives, degree of experience, and risk tolerance carefully before trading cryptocurrencies, coins, or any other digital asset.

ABOUT OUR COIN:

We are some truthful and professional traders, and we want the FuckYouCoin to represent honesty and community in our crypto environment. The coin represents all of our community's fraudsters and rags. The FIAT is already robbing us of funds, no more scammers will fit in. Our objective is to build a platform that welcomes new members to our community with unique features not seen on other platforms and encourages them to contribute in a variety of ways to earn rewards. To build an ecosystem in which many social solutions, including collaborative applications, can arise. We create an environment in which technology is utilized to assign true ownership of things in the actual world. The development speed of cryptocurrency Is more than twice that of the Internet and the number of users in real life is also Increasing exponentially faster than the Internet usage rate numerous coins are being created. This age of coins is like the age of voyages of coins. In order to have something special in It the FUC FOUNDATION is setting a roadmap for the fourstep development process through the FuckYouCoin Foundation, that will help victims of fraudulent Crypto - and Trading companies

OUR FUTURE GOALS:

- Our goal is to manifest a coin against all the scams in the market and to build a
 crypto coin that welcomes new members to our community with unique features
 not seen in other coins and encourages them to contribute in a variety of ways to
 earn rewards. To build an ecosystem in which many social solutions, including
 collaborative applications, can arise. We create an environment in which
 technology is utilized to assign true ownership of things in the actual world.
- We will develop a foundation for victims.

GOALS

MISSION & VISION:

The main vision is, that this coin should stand against fraud and scams and Ponzi schemes, and all that evil people that steal the funds of honest traders. Just when you think "FuckYou", when you lost against the market, or you got scammed by one of the stealing crypto companies. The vision is, that every trader will own a FuckYouCoin and show the Unity of the honest trader or create a safe & secure platform for facilitating Financing, Credit, and Investment Opportunities. the mission is to create a unity coin that stands against the scam and the vision is that every trader will possess at least one FuckYouCoin in his/her wallet.

ECOSYSTEM:

A UNIQUE CRYPTO ASSET:

OPEN FOR GLOBAL PARTICIPANTS

- We facilitate the transaction and bring them closer to a wider audience. An added benefit of use is that it's completely decentralized, so trading can be done freely across borders.
- The use of technology will facilitate a financial revolution that will leave everyone more financially connected, empowered, and enabled. It has no border so these can be used no matter where you are located globally.
- This also has a huge effect on international payment fees. Traditionally international transfers have much higher fees than domestic transfers and payments. International payments and transfers with crypto are the same as domestic.

FREE FROM CORPORATE AND GOVERNMENT INTERFERENCE

 Fuckyou coin transactions have no intermediary institutions or government involvement, and the costs of transacting are kept very low. Additionally, any transfer happens very quickly, eliminating the inconvenience of typical authorization and waiting period requirements.

SAFE & SECURE

• It is a safe and secure platform that is continuously improving the security of the system to ensure the safety of the platform.

A UNIQUE CRYPTO ASSET:

SAFE & SECURE

We are committed to providing a safe environment for investors to grow their wealth and reach financial freedom.

We value honesty above all else and promise to always do the right thing for our investors, our clients, and our partners, to achieve mutual success.

Fuckyou coin money pay will provide the services manufacturers can get more benefits than others we provide you a secure coin.
